Battleground 2010 (XLII)

Final Study #12882
The Tarrance Group and Lake Research Partners
N = 1,000 Registered “likely” voters
Margin of error ± 3.1%
Field Dates: October 17-20, 2010

Hello, I'm _______________ of The Tarrance Group, a national survey research firm. We're talking to people today about public leaders and issues facing us all. May I please speak with a (male/female) in the household who is registered to vote?

A. Are you registered to vote in your state?
   IF "NO, Ask: Is there someone else at home who is registered to vote?
   (IF "YES," THEN ASK: MAY I SPEAK WITH HIM/HER?)
   Yes (CONTINUE)
   No (THANK AND TERMINATE)

Thinking ahead to the elections that will be held in November--

B. What is the likelihood of your voting in the elections to be held in November-- are you extremely likely, very likely, somewhat likely, or not very likely at all to vote?

   (CONTINUE)
   Extremely Likely..................................................... 68%
   Very Likely.............................................................. 20%
   Somewhat Likely....................................................... 9%
   Already voted (DNR)................................................... 4%
