Research Days: A Showcase of Research, Scholarship, and Creative Endeavor
March 31 and April 1, 2015

Call for Abstracts

Undergraduate, graduate, and postdoctoral students are invited to showcase their work and compete for prize money at the 20th Annual Research Days. This event features poster presentations and keynote speakers and is dedicated to highlighting the breadth of research, creative scholarship, and cultural discovery being done at GW by students and postdoctoral researchers. Faculty and staff are encouraged to attend this showcase!

All abstracts must be submitted by March 1, 2015 and are required to have mentor or advisor approval.

- March 31st focuses on arts, business, education, engineering, humanities, law, sciences, and other topics
- April 1st focuses on health and medicine topics with participants from the School of Medicine and Health Sciences, the Milken Institute School of Public Health, the School of Nursing and the Biomedical Engineering program

For Important information and additional guidelines, including abstract instructions, the abstract submission form, and sample abstracts, visit the Research Days website, contact resdays@gwu.edu or tweet us @GWRsearchDays.
