Annual Research Day Symposium
April 2, 2013
ABSTRACT FORM INSTRUCTIONS

Eligibility:
Students: Any student or postdoctoral student may submit one abstract as the first author. Your faculty advisor MUST APPROVE YOUR ABSTRACT PRIOR TO SUBMISSION

Faculty: Any faculty member may submit one abstract as a first author.

Guidelines:
1. Only one abstract per presenter as first author will be accepted.
   - Each student may submit one abstract only.
   - Although a faculty member may be the sponsor of more than one student abstract, faculty may submit only one abstract as a presenting author.
2. All abstracts should include the following elements:
   - Title
   - Objectives/Background
   - Author(s) [including faculty advisor for students and eligible graduates]
   - Methods
   - Results to Date
   - Current Affiliation of each author
   - Conclusions

Instructions:
1. All of the required elements (stated above) must be included for printing in the Research Days abstract book.
2. For all submissions SEE SAMPLE FORMAT BELOW:
   - THE TEXT OF THE ABSTRACT SHOULD BE NO LONGER THAN 300 WORDS. Please note: the word count pertains to the abstract text ONLY. The abstract title and authors are NOT counted toward the word count total.
3. Student submissions: Faculty advisor name should be followed by (faculty advisor). Please be sure your faculty advisor has approved your abstract PRIOR to submission.
4. The abstract form can be filled out online at the following website:
   - [http://research.gwu.edu/research-days-2013](http://research.gwu.edu/research-days-2013) (Abstract Submission form can be found in the April 2, 2013 column of information).
   - Click on the submit button to complete the submission process.
   - Abstracts must be received by SUNDAY, FEBRUARY 24, 2012. NO EXCEPTIONS.
   - Questions can be directed to resdays@gwu.edu.
